

Industrija u središtu budućnosti EU!

Zajednički poziv šefovima država i vlada

ZNAČAJ INDUSTRIJE ZA EUROPУ I NJEZINE GRAĐANE

Europska industrija je svugdje, u našem svakodnevnom životu: od kuća koje gradimo, namještaja kojeg kupujemo, odjeće koju nosimo, hrane koju jedemo, zdravstvene zaštite, energije i transportnih sredstava do predmeta i proizvoda prisutnih u našim životima.

S kvalificiranim radnom snagom i njzinim globalnim priznatim statusom kvalitete i održivosti, industrija je od vitalnog značaja za Europу i njezin prosperitet. Diljem Europe 52 milijuna ljudi i njihovih obitelji imaju izravnu ili neizravnu korist radeći u industrijskim sektorima. Naši opskrbni lanci se sastoje od stotina tisuća inovativnih malih i srednjih poduzeća te većih dobavljača, koji izvoze europsku industrijsku izvrsnost diljem svijeta.

INDUSTRIJA TREBA VAŠE VODSTVO!

Kao posljedica finansijske krize iz 2008. godine, nestalo je preko milijun radnih mјesta u proizvodnoj industriji u Europi, što je sa sobom donijelo dramatične posljedice za cijelo društvo. Još uvijek smo daleko od stope zaposlenosti u industrijskom sektoru u odnosu na razdoblje prije finansijske krize, dok su poslovi podložni zabrinjavajućim međunarodnim trendovima, uključujući povećanje protekcionizma.

Europska unija sada treba ambicioznu industrijsku strategiju kako bi konkurirali drugim globalnim igračima - poput Kine, Indije i SAD-a – kojima je industrijska politika na samom vrhu političkog dnevnog reda.

Mi, organizacije koje zastupaju sve sektore industrije u EU, pozivamo šefove država i vlada da:

- **Pozovu sljedeći saziv Europske komisije da uvrsti industrijsku politiku kao glavni prioritet svog petogodišnjeg Programa rada i imenuje posebnog potpredsjednika za industriju**
- **Zahtijevaju od sljedećeg saziva Europske komisije da u kratkom vremenu predstavi ambicioznu dugoročnu industrijsku strategiju EU-a koja će uključivati jasne pokazatelje i sustav upravljanje**
- **Svake godine na proljetnom Europskom vijeću, ocjenjuje napredak u provedbi industrijske strategije EU-a i pružaju političke smjernice za jačanje europske konkurentnosti**

Mi, potpisnici ovog Manifesta, računamo na vaše proaktivno i koordinirano vodstvo kako bismo osigurali da Europa ostane središte vodeće, pametne, inovativne i održive industrije koja pogoduje svim Europljanima i budućim generacijama.

Europa može biti ponosna na svoju industriju. Zajedno je moramo postaviti u središte budućnosti EU!
